F.F.C. Edmonds, Esq., M.A., B.Sc.,

Inspector of Schools, Coorg and Bangalore.

To The Secretary to the Hon'ble the Resident

in Mysore, Bangalore.

Sir,

I have the honour to forward herewith an application from the Correspondent, Rajamma Thambuchetty Girls' School, Bangalore, for a grant towards converting the existing store-room into latrines and providing flushing arrangements to them as well as to the existing latrines in the school compound.

I am encouraging all schools to improve their sanitary arrangements and introduce the flushing system wherever possible.

The estimated cost of the work including supervision charges amounts to Rs.1,192/-. The Executive Engineer called for tenders and has recommended the acceptance of the tender of Messrs. Arumugam Nagarathnam and Company who have agreed to undertake the work at 6¼% below the estimate rates. The cost of the work according to this tender amounts to Rs.1,117-8-0. I recommend that under rule 43 of the Grant-in-Aid Code for Indian Schools in the Civil and Military Station of Bangalore, a grant amounting to Rs.558-12-0 or one-half of the actual cost, whichever is less, may be sanctioned.

The amount will be met from the allotment under "Account II-Education- D. Primary - Grant-in-Aid to Non-Government Primary Schools - Building and Furniture grants" -

in the current year's Mysore Assigned Tract budget.

The estimate and plan prepared by the Executive Engineer are also enclosed.

I have the honour to be,

Sir,

Your most obedient servant,

Inspector of Schools,

Coorg and Bangalore.
